Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Feature #180

Scroll to botton of the playlist when adding new files

September 24, 2012 06:05 - Adriano Moura

Status:	Closed	**Start date:**	September 24, 2012
Priority:	Minor	**Due date:**	
Assignee:		**% Done:**	100%
Category:	plugins/gtkui	**Estimated time:**	0.00 hour
Target version:	3.4		
Affects version:			

Description

When adding a new file trough "File->Add file" users might get confused weather clicking the add button did anything. The file selection dialog is not closed and you probably have a playlist bigger than what's being displayed, so no visual feedback is provided. By always scrolling to the bottom of the playlist (where new files are added, anyway) users will always see new files popping into it.

History

#1 - June 20, 2013 04:23 - John Lindgren

- Category set to plugins/gtkui

- Status changed from New to Closed

- Target version set to 3.4

- % Done changed from 0 to 100
