Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Feature #185

Add "next playlist" and "prev playlist" commands

September 29, 2012 05:18 - Nevik Rehnel

Status:	Rejected		**Start date:**	September 29, 2012
Priority:	Minor		**Due date:**	
Assignee:			**% Done:**	0%
Category:	plugins/hotkey		**Estimated time:**	0.00 hour
Target version:				
Affects version:	3.3.2			

Description

I would like to see a way to change to the next or previous playlist with single commands (i.e. toolbar buttons and/or menu commands and/or shortcuts), also providing this command functionality to the global shortcuts plugin.
I often find myself wanting to change playlists quickly without having to open the Audacious window first, so this would be a great help.
