Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Bug #239

libcdio-0.90 API change

January 08, 2013 15:53 - Gaetan Bisson

Status:	Closed		**Start date:**	January 08, 2013
Priority:	Minor		**Due date:**	
Assignee:			**% Done:**	100%
Category:	plugins/cdaudio		**Estimated time:**	0.00 hour
Target version:	3.3.4			
Affects version:	3.3.3			

Description

Compiling audacious-plugins-3.3.3 against libcdio-0.90 requires the following changes:
- updating the include cdio/cdda.h to cdio/paranoia/cdda.h (now part of the new libcdio-paranoia package)
- minor API changes regarding cdio_get_cdtext

The attached patch fixes those issues.

I am not very confident about the cdio_get_cdtext/cdtext_get business.
Please double-check that it indeed does what is intended. Thanks!

History

#1 - January 09, 2013 02:32 - John Lindgren

- File libcdio-v2.patch added

Thanks. I've changed the patch to be compatible with libcdio < 0.90. Would you please double-check that it still works with 0.90?

#2 - January 09, 2013 03:12 - Gaetan Bisson

Your improved patch appears to work fine with libcdio-0.90. Cheers.

#3 - January 10, 2013 00:15 - John Lindgren

- Status changed from New to Closed

- Target version set to 3.3.4

- % Done changed from 0 to 100
