Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Bug #308

Unable to download m3u playlist by http

June 18, 2013 12:12 - Vasily Redkin

Status:	Closed		**Start date:**	June 18, 2013
Priority:	Minor		**Due date:**	
Assignee:			**% Done:**	100%
Category:	plugins/m3u		**Estimated time:**	0.00 hour
Target version:	3.5			
Affects version:	3.3.4			

Description

M3U plugin fails to download playlist (at least from Gnump3d server).
This happens due to lack of file size information: in read_win_text() vfs_fsize(file) returns -1.
Attached patch fixes downloading of playlists when file size is not known.

History

#1 - June 20, 2013 03:06 - John Lindgren

- Status changed from New to Closed

- Target version set to 3.5

- % Done changed from 0 to 100

Thank you for the patch. In 3.5 we have the vfs_file_read_all() function to do the same thing.
