

Audacious - Bug #337

Empty winamp interface

August 28, 2013 23:47 - chris denice

Status:	Closed	Start date:	August 28, 2013
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	plugins/skins	Estimated time:	0.00 hour
Target version:	3.4.1		
Affects version:	3.4, 3.4.1		

Description

Hi there,
Selecting in the menu:
View -> Interface -> WinAmp Classic Interface

renders the expected classic interface but without any buttons, display etc... This is the case with all default classic skins of audacious.

Some icons are also missing in the browsing windows for opening files (may not be related though).

(see attached image)

thanks.

History

#1 - August 29, 2013 00:06 - John Lindgren

- Category set to plugins/skins
- Status changed from New to Closed
- Target version set to 3.4.1
- % Done changed from 0 to 100
- Affects version 3.4 added

Please check whether a bug has already been reported before posting a new one. This is a duplicate of [#336](#).
