Can't play some MiniPSF files

January 16, 2014 20:00 - O Mf

Status:	Closed	Start date:	January 16, 2014
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	plugins/psf	Estimated time:	0.00 hour
Target version:	3.5		
Affects version:	3.4.3		

Description

Audacious (3.4.3a) skips a lot of the MiniPSF files in my database which can be played with other programs (and therefore are not corrupt).

As a test, I performed this command:

```
audacious.exe -V "C:\Users\Oisin\Documents\ceol\ps\CrashBandicoot2_psf\19 - Ice (Bonus).minipsf" >log.txt 2>err.txt
```

The relevant lines from err.txt appear to be:

```
** (audacious.exe:5712): CRITICAL **: vfs_fopen: assertion `s' failed
Unknown tuple field name "game".
Unknown tuple field name "console".
```

Googling for these error messages didn't help very much.

Attaching log.txt and err.txt.
