

# Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Bug #522

## Artifacts displayed with broken Winamp skin

March 17, 2015 23:22 - David Rosenstrauch

<b>Status:</b>	Closed	<b>Start date:</b>	March 17, 2015
<b>Priority:</b>	Minor	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	100%
<b>Category:</b>	plugins/skins	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	3.6.1		
<b>Affects version:</b>	3.6		

### Description

Since upgrading to Audacious 3.6, several of my Winamp skins don't render correctly.

See attachments for how the skin renders in audacious ([http://darose.net/Audacious\\_3.6\\_with\\_winamp\\_skin.png](http://darose.net/Audacious_3.6_with_winamp_skin.png)) vs. qmmp ([http://darose.net/QMMP\\_0.8.3\\_with\\_winamp\\_skin.png](http://darose.net/QMMP_0.8.3_with_winamp_skin.png)). The skin in question is also attached ([http://darose.net/LASERmecha\\_4000.wsz](http://darose.net/LASERmecha_4000.wsz)).

### History

#### #1 - March 18, 2015 15:09 - Thomas Lange

The GTK3 version of Audacious renders correctly, only GTK2 is affected.

#### #2 - March 18, 2015 15:25 - John Lindgren

The skin is broken. The clutterbar is completely missing from titlebar.bmp.

#### #3 - March 18, 2015 16:16 - John Lindgren

- Subject changed from Upgrade to Audacious 3.6 broke some Winamp skin features to Artifacts displayed with broken Winamp skin
- Category set to plugins/skins
- Status changed from New to Closed
- Target version set to 3.6.1
- % Done changed from 0 to 100
