|---|----------|------------------------|------------------|
| Status: | Rejected | Start date: | October 14, 2015 |
| Priority: | Minor | Due date: | |
| Assignee: | | % Done: | 0% |
| Category: | | Estimated time: | 0.00 hour |
| Target version: | | | |
| Affects version: | | | |
| Description | | | |
| There many scenarios when you accidentally do certain things to your playlists and you want to undo them. | | | |
| Please make it possible to undo/redo all user actions, including playlist removal. | | | |
| One action that is perhaps not useful/feasible for undoing is whole playlist sorting. | | | |
| On application exit all editing history might be safely forgotten I guess. | | | |

History
