<b>Target version:</b>	
<b>Affects version:</b>	

**Description**

Is it possible to have playlist split with album titles when you add a directory of the same artist so that it became clear which album you are listening to now?  
TH main lacking feature as for me now.

Thanks.

#### History

**#1 - November 21, 2015 18:27 - John Lindgren**

- *Category set to plugins/skins*

**#2 - March 22, 2016 19:57 - Roman P**

Any updates/plans?

**#3 - January 29, 2017 19:38 - John Lindgren**

- *Status changed from New to Rejected*

- *Affects version deleted ()*

No, this would be non-trivial to implement and there are no plans to do it.
