## Audacious - Feature #1091

## **Built-in lyrics support**

April 28, 2021 18:24 - Artem S. Tashkinov

Status:	New	Start date:	April 28, 2021
Priority:	Minor	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Affects version:	4.1		

## Description

Built-in lyrics is not standardized but there are several common tags which Audacious could read and present instead of fetching data online, e.g.

Common known tags include:

- lyrics
- UNSYNCEDLYRICS

Please implement.
