

Audacious - Feature #1129

Playlist import: open new playlist, take name of the playlist file

October 22, 2021 10:36 - Martin Gyrtel

Status:	Closed	Start date:	October 22, 2021
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	core	Estimated time:	0.50 hour
Target version:	4.2		
Affects version:	4.1		
Description			
When importing a playlist, instead of loading the selected list into the active playlist, optionally create a new one. Name the new playlist as the name of the playlist file.			

History

#1 - October 22, 2021 18:01 - John Lindgren

Create a new playlist (tab) first and then import your playlist. The title will update automatically. Voila.

#2 - October 23, 2021 02:56 - John Lindgren

Actually I misremembered -- looks like that only works with playlists that include a title (XSPF for example), not the filename.

#3 - November 13, 2021 02:38 - John Lindgren

- % Done changed from 0 to 100
- Status changed from New to Closed
- Category changed from libaudgui to core
