Target version:	4.4		
Affects version:	4.3.1		
Description			
Would be great if Audacious could be muted/unmuted by mouse middle clicking the volume icon.			
Thanks!			

History

- #1 - May 26, 2023 16:35 - Thomas Lange
- Status changed from New to Closed
 - Subject changed from A 5 second feature request: mute/unmute on the volume icon mouse middle click to Mute/unmute with middle mouse click on volume button
