Description

For example, I open a URL radio stream, but in the player appear everything in the URL number, a feature that is ideal is can rename this, for differentiating the other.

History

#1 - September 28, 2012 23:37 - John Lindgren

- Subject changed from Update information on links of stream. to Allow manual entry of stream names

#2 - January 29, 2017 19:57 - John Lindgren
