

Audacious - Bug #333
Error with link of transifex in website.

August 13, 2013 19:33 - Carlos Giamante

Status:	Rejected	Start date:	August 13, 2013
Priority:	Minor	Due date:	
Assignee:		% Done:	0%
Category:	website	Estimated time:	0.00 hour
Target version:			
Affects version:			
Description In this site http://audacious-media-player.org/ is used the link http://www.transifex.net/projects/p/audacious/ clicking it has an error. Correct is this link: https://www.transifex.com/projects/p/audacious/ The diference is that transifex update .net to .com. The attached file shows the error with .net.
