Description			
hi,			
would be nice to have a menu item "Remove played song" from playlist automatically.			
if this is already implemented can someone please direct me.			

History

#1 - October 17, 2015 00:25 - John Lindgren

- *Category deleted (plugins/song change)*

#2 - January 29, 2017 20:02 - John Lindgren

- *Status changed from New to Rejected*

This is a significantly different behavior/paradigm. I'm not sure it makes sense in Audacious.

At any rate this is an old request that no one has had time to implement. Closing.
