

Audacious - Feature #41

Please bring back the upscaling of old winamp skins

January 10, 2012 04:27 - Bert vL

Status:	Closed	Start date:	January 10, 2012
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	plugins/skins	Estimated time:	0.00 hour
Target version:	3.6		
Affects version:			
Description			
When using winamp skins on a high resolution monitor the main window becomes unreadable because it is too small. Older versions had the possibility to make the main window and equalizer displayed twice as big. It would be great to bring this feature back.
