#### Description

Hello,

foobar2000 has a "Show balloon tooltip on song change" option, see "2. Foobar2000 built-in feature" on the following page:

<http://winamp2foobar.blogspot.de/2008/09/nice-popup-in-corner.html>

Could you please implement something like that for Audacious Win32 as well?

It would be much appreciated.

Regards
