

Audacious - Bug #416

Win32: Include translations

March 09, 2014 14:19 - Thomas Lange

Status:	Closed	Start date:	March 09, 2014
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	3.5		
Affects version:			

Description

Please include translations within the Windows build.
The folders have to be structured like in the following example.

```
audacious/  
├── usr  
│   ├── share  
│   │   ├── locale  
│   │   │   └── de  
│   │   │       └── LC_MESSAGES  
│   │   │           ├── audacious.mo  
│   │   │           ├── audacious-plugins.mo  
│   │   │           ├── gtk30.mo  
│   │   │           └── gtk30-properties.mo  
│   │   └── ...
```

History

#1 - March 25, 2014 21:30 - John Lindgren

- Status changed from New to Closed
- % Done changed from 0 to 100

Included in the 3.5-beta1 build.
