Target version:				
Affects version:				

Description

While playing a .cue file song change isn't registered. For example, the lyrics plugin only finds lyrics for the first song in the .cue file.

History

What version of Audacious are you using? This looks like a duplicate of #347 and #352.

#2 - April 16, 2014 16:45 - Filip Dobrocký

Yes, sorry. I just noticed it works on 3.4.3.
