

Audacious - Bug #522

Artifacts displayed with broken Winamp skin

March 17, 2015 23:22 - David Rosenstrauch

Status:	Closed	Start date:	March 17, 2015
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	plugins/skins	Estimated time:	0.00 hour
Target version:	3.6.1		
Affects version:	3.6		

Description

Since upgrading to Audacious 3.6, several of my Winamp skins don't render correctly.

See attachments for how the skin renders in audacious (http://darose.net/Audacious_3.6_with_winamp_skin.png) vs. qmmp (http://darose.net/QMMP_0.8.3_with_winamp_skin.png). The skin in question is also attached (http://darose.net/LASERmecha_4000.wsz).

History

- #1 - March 18, 2015 15:09 - Thomas Lange
- The GTK3 version of Audacious renders correctly, only GTK2 is affected.
- #2 - March 18, 2015 15:25 - John Lindgren
- The skin is broken. The clutterbar is completely missing from titlebar.bmp.
- #3 - March 18, 2015 16:16 - John Lindgren
- Subject changed from Upgrade to Audacious 3.6 broke some Winamp skin features to Artifacts displayed with broken Winamp skin

- Category set to plugins/skins

- Status changed from New to Closed

- Target version set to 3.6.1

- % Done changed from 0 to 100
