Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	audtool	Estimated time:	0.00 hour
Target version:	3.6.2		
Affects version:	3.6.1		
Description When using audtool --playback-seeking-relative -x and reaching the start of a song, Audacious used to continue to play the song from the start. Now once it hits the start of a song it will skip to the next song. Not sure what version this started happening.
