

Audacious - Bug #655

audtool: limited operation on Win32

August 04, 2016 03:07 - John Lindgren

Status:	Closed	Start date:	August 04, 2016
Priority:	Minor	Due date:	
Assignee:		% Done:	100%
Category:	win32	Estimated time:	0.00 hour
Target version:	3.8		
Affects version:	3.8		
Description audtool currently has some major limitations on Win32: 1. Console output is not visible unless redirected to a file. 2. All commands go to the primary instance of Audacious. #1 is probably due to compiler flags and should be a simple fix. #2 is probably a bug in, or limitation of, GDBus.
