Audacious - Bug #774

can't disable loading metadata when adding playlist

January 29, 2018 23:44 - Ipor Sircer

Status:	Closed		**Start date:**	January 29, 2018
Priority:	Minor		**Due date:**	
Assignee:			**% Done:**	100%
Category:	libaudcore		**Estimated time:**	0.00 hour
Target version:	3.10			
Affects version:	3.9			

Description

I have a large xspf playlist (200,000 files on slow network media). In version 3.8.2 it was loaded in some seconds, but version 3.9 and the latest github master tries to read all files, so about only 1000 files was added in one minute. I don't have enough patience to wait for fully loaded.

The setting "Do not load metadata for song until played" is simply ignored or other bug affected.

History

Does your playlist contain any metadata, or just <location> elements?

#2 - February 03, 2018 18:44 - John Lindgren

These changes should help:
https://github.com/audacious-media-player/audacious/commit/32a9837593b575acc120c9105af60a84e96a3b2a
https://github.com/audacious-media-player/audacious/commit/95e229a87e42b0f242e7245f2c40046db79491e1

#3 - February 03, 2018 18:49 - John Lindgren

- % Done changed from 0 to 100

- Target version set to 3.10

- Status changed from New to Closed

- Category changed from plugins/xspf to libaudcore
