

Audacious - Bug #935

"Next album" is broken when there's no next album

January 09, 2020 03:37 - John Lindgren

Status:	Closed	Start date:	January 08, 2020
Priority:	Blocker	Due date:	
Assignee:	John Lindgren	% Done:	100%
Category:	core	Estimated time:	0.00 hour
Target version:	4.0		
Affects version:			
Description When used in the middle of the last album in the playlist, the new "next album" code exits early and leaves the playlist in an inconsistent state (the "play" icon doesn't match the song actually playing). It needs a rewrite similar to what I just pushed for the "previous album" code.			

History
