<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	4.1		
<b>Affects version:</b>	4.0.2		
<b>Description</b>			
Since updating recently on Manjaro the currently playing track is no longer highlighted with a bold font when a different track is selected.			

History

#1 - April 20, 2020 02:23 - John Lindgren

- Status changed from New to Rejected

This is intentional. There is a "play" icon shown next to the current track instead.

Ahh OK. I didn't noticed as had to enable it as a column item. I'd prefer not waste the extra screen estate with this when the old system functioned perfectly but at least it serves its purpose so thanks for letting me know.

#3 - December 21, 2020 20:42 - Thomas Lange

- Target version set to 4.1

4.1 will again use a bold font for the current track.

#4 - December 29, 2020 18:06 - John Lindgren

- % Done changed from 0 to 100

- Status changed from Rejected to Closed

- Tracker changed from Bug to Feature
